

Yoga & Meditation at TCS

These weekly classes focus on connecting the mind and body to improve overall mental, emotional and physical well-being. The classes include a variety of activities such as breathing exercises, yoga asana (poses), meditation, mindfulness, and relaxation. Yoga and meditation can provide students with highly effective tools for reducing stress. Students have the opportunity to increase their self-awareness and practice evidence-based tools for positive change and connection to self and others. Students may also notice an increase in their ability to tolerate distress, focus their mind, stabilize their mood, self-soothe, and respond vs. react to uncomfortable situations. The classes are appropriate for all levels. If you can breathe, you can practice yoga.

Registration

Drop-in classes do not require registration and are available throughout the year. To join, students must go through Walk-In Clinic, obtain a referral, and sign a release. Students with any physical health concerns are encouraged to get approval from a doctor for yoga classes. Students are encouraged to show up to our drop-in groups whenever they need some support, or want to learn and practice yoga and/or meditation skills to improve their mental health.

**Classes for spring semester run 1/14 through 5/2, but yoga/meditation offerings are cancelled when TCS is closed.*

WIND DOWN (60 min)

This class combines gentle yoga and Yoga Nidra to soothe the nervous system. Yoga Nidra is a type of guided meditation also known as Yogic Sleep. The class is slower paced with a focus on relaxation in the body and quieting of the mind. Poses are mainly done on the floor reclined, seated, or on hands and knees with a longer hold (1-3 min) and a slower, deeper breath to help facilitate the down regulation of the nervous system. This class can help students to decrease stress levels and have a good night's rest.

When: Wednesdays at 6:30 pm

POWER & CONFIDENCE (45 min)

In this intermediate, flowing practice you will be guided through a series of powerful poses and affirmations that can foster focus and strength. When: Thursdays at 10:00 am
